

## Primary PE & Sport funding

At *Great Budworth CE Primary School* we are utilising the Primary PE & Sport Premium funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt healthy active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

Our school will develop or add to the PE, physical activity and sport activities that we already offer and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The full amount of PE & Sport Premium received for 2020/21 is £16,602.17
